Rhoer Principles

The Rhoer Club of Sigma Gamma Rho Sorority, Inc. is dedicated to encouraging high scholastic attainment, to aiding in the development of leadership skills, and to promoting a positive attitude and demeanor among young ladies.

The program consists of training and guidance in the areas of education, civics, fine arts, and social graces.

Rhoers are poised young ladies who are afforded the opportunity to join together in sisterhood while learning, reaching out to others, and having fun.

Rhoers are commissioned to Respect themselves and others, to Remember their dreams, to Realize the value of education, and to Recognize the power of their actions.

Eta Sigma Rhoers

The goal of the Eta Sigma Rhoer Club is to enlighten young ladies to the opportunities available to them and to give them the resources needed to overcome peer pressure, boost self-esteem, and achieve academic success.

Eta Sigma Rhoers are mentored by young college-educated women whose purpose is to serve as positive examples and to assist in nurturing the individual talents of Rhoer Club members.
